INTRODUCTION

Manual of blue pages for chamber members is considered to be one of the distinctive services which the chamber cares to present to its members of businessmen so as to satisfy their developed requirements in the field of informatics.

In this context, Manual of blue pages provides the basic information about economic activities for different business sectors accurately and definitely, Furthermore, it participates to deepen the direct contact between the members so as to achieve the maximum benefit for them. In the occasion of issuing Manual of blue pages for the members, for 1423H, I have the pleasure to provide thanks and appreciation to all chamber members for their cooperation in modernizing their data, which have a major influence on the success of this manual in the best shape, hoping that we receive your supporting propositions and remarks of this issue.

Dr. Majid Abdullah Al Qasabi
Secretary General
